Great Fun for Children, Teens & Adults

Wind Tubes

Explore moving air, wind, and aerodynamics with objects you make from recycled goods.

Marble Machines

Design a marble machine, creating paths for marbles to travel through channels, down ramps and around obstacles to meet suggested challenges.

More Tinkering Activities:

Make Play Doh sculptures that light up, move and make sounds or build a tiny vibrating robot that scoots around with a sense of purpose.

Admission \$5.00

Open weekends from 11:00 - 6:00 PM

Closed Dec. 24-25 & Jan. 1

43 W. Thousand Oaks Boulevard, Thousand Oaks

Open during the week by appointment only for school field trips, clubs or parties.

Scribble Machines

Build your own contraption that moves in unusual ways and leaves a mark to trace its path.
